

JAN BRETT'S FAVORITE ANIMALS

A SCAVENGER HUNT

★ Hedgehogs are among Jan Brett's favorite animals and these spiny mammals appear regularly in her illustrations. How many hedgehogs can you find?

★ Jan Brett has her own flock of chickens and she enjoys observing and drawing them. Can you find some chickens wearing fancy clothing?

★ In *Honey...Honey...Lion*, two animals love eating honey. Which are they?

★ What undersea creatures can you find in *The Mermaid*?

★ What animals discover the young girl named Aloo-ki eating from their bowls and sleeping in their beds?

DRAW!

What animals do you see on Noah's Ark? Draw the one that looks most interesting to you.
